

sportworks

...making sport work for you

LOGISTICS

Sportworks Logistics provides effective planning and implementation to ensure the management of people, their equipment and the additional necessary services required. We work in partnership with our clients to ensure their arrival, event experience and departures are seamless.

People logistics are complex; need careful consideration, detailed planning and meticulous delivery. At Sportworks we have developed professional capacity, capability and experience through the delivery of many major international sporting events. Sportworks will partner you on your projects, providing a comprehensive package of services and a network of support staff to guarantee success.

LOGISTICS SERVICES

Planning & Professional Consultation

Critical pre event feasibility, negotiation and procurement up to five years out, including event co-ordination, scheduling, contingency planning and preparedness

Cost Effective Strategies

Intelligent and strategic solutions designed to optimize your budget's potential.

Managing RISK

We remove the financial risk associated with logistics services and major events.

Travel & Transportation

Itinerary development, meet and greet services, coach and mini-bus provision, car hire and parking, equipment and material freighting and visa management.

Accommodation

Hotel procurement and sales, catering provision management.

Hospitality provision and meeting rooms.

Venue sourcing and management for training camps and or competition.

Manpower Provision

Specialist teams of any size, designed to deliver operational excellence.

Precision Execution

Professional service delivery that follows the project plans and schedule.

Post-Event Analysis

Follow-up reviews, statistical analysis of user experience and the consolidation of lessons learned.

WHY SPORTWORKS?

People

A team of dedicated and determined professionals committed to providing the highest level of service with a flexible approach, all of who are committed to their own continued professional development.

Precision

Accuracy in planning and co-ordination is critical to the smooth, efficient delivery of services so we pride ourselves on dotting the i's and crossing the t's.

Flexibility

We can adapt our service to perfectly match the size, location, parameters and constraints of your requirements.

Technology

We embrace technology – we utilise a state of the art online booking tool, empowering people to communicate their needs in a logical and secure environment. Linked directly to an event website, it provides flexibility for athletes, officials, media and consumers alike.

24/7 Support

Given the global nature of our business, we recognise the importance of maintaining contact with our clients day and night, 365 days a year, to provide essential back-up and advice.

Network & Reputation

Our reputation and contact network provides us with the bargaining power to leverage outstanding price deals and preferential project support from third parties.

Added Value

We apply lessons learned to continually improve our services and re-invest knowledge across long-term support provision.
